Dear Mr. Goens:

A review of our records indicates that your permit will expire on November 30, 2020. In accordance with your

current permit and state regulations, permittees wishing to continue operating subsequent to the expiration date

of their permit are required to apply for a renewal permit not less than **180 days prior to the permit's expiration**

date. Failure to submit your permit renewal by June 3, 2020, will result in formal enforcement action.
