RE: Evaluation Report of the data and effectiveness of the groundwater remedy
Consent Administrative Order (CAO) LIS 18-085
NPDES Permit Number AR0000752, AFIN 70-00040

Dear Mr. Sartain:

On February 8, 2019, the DEQ Office of Water Quality (OWQ) received the Evaluation Report of the data and effectiveness of the groundwater remedy from GBMc & Associates on behalf of El Dorado Chemical Company (EDCC). The Evaluation Report was submitted as a condition of paragraph 2 of the Order and Agreement in CAO LIS 18-085. DEQ has completed its review and provides the following comments:

- Please continue operating the recovery wells;
- Please continue the current sampling schedule; and
- Please continue to follow the implement measures to ensure the recovery wells are operating at full capacity.

Should you have any questions, please contact Linda Hanson, P.G at 501-682-0664 or at hanson@adeq.state.ar.us or me at 501-682-0664 or at pemberton@adeq.state.ar.us.

Sincerely,

A handwritten signature in black ink that reads "Layne Pemberton". The signature is written in a cursive, flowing style.

Layne Pemberton
