David,
The following written certification has not been received:

AR0000752	EL DORADO CHEMICAL COMPANY	DAVID SARTAIN, ENVIR COORD	870-863-1400	Major	CAO 18-085	Achieve Final Compliance With Emission or Discharge Limits (1-A-CS017)	12/25/2018	Within thirty (30) calendar days of the effective date of this Order. Respondent shall submit to the Department a written certification stating that Respondent is in full compliance and will stay in compliance with the permitted effluent limits on a consistent basis.
-----------	----------------------------	----------------------------	--------------	-------	------------	--	------------	--

It looks as though that there have been no effluent violations since 6/2018, this should satisfy that conditions of the CAO.

Thank you,
