Re: NPDES Permit **AR0000752**, NetDMR Approval

Dear Mr. Derek Turner:

Your signed subscriber agreement for the El Dorado Chemical Company has been received and access as Signatory Authority in NetDMR has been approved by the Arkansas Division of Environmental Quality. In addition, your Discharge Monitoring Reports (DMRs) are ready for online submittal. Please log into NetDMR and verify that the permit limits are accurate and let us know if you find any discrepancies.

We appreciate your cooperation in using NetDMR for submitting your DMRs electronically. Please remember that you must change your NetDMR password every 90 days, and each new password must be different than your last 10 passwords by at least 3 characters. This NetDMR account may only be used by you. Please notify the Arkansas Division of Environmental Quality of any individuals that are no longer authorized to represent your permitted facility in using NetDMR. If you have any questions, please contact me at (501) 682-0615 or by email at ramsey@adeq.state.ar.us.

Sincerely,

David E Ramsey
