RE: NPDES Permit Number AR0000752, AFIN 70-00040

Dear Mr. Withrow:

A recent review of the NPDES file for **El Dorado Chemical Co.** has revealed the following violations for the monitoring periods ending **01/31/2011 through 08/31/2011**. (See Attachment)

As you know, Arkansas Pollution Control and Ecology Commission regulations and your NPDES Permit require you to take all reasonable measures necessary to eliminate or prevent the occurrence of violations. Please note that any violation of your permit can lead to enforcement action by ADEQ pursuant to the Arkansas Water and Air Pollution Control Act. Also, be aware that we maintain records of violations and of non-compliance reports documenting corrective action to determine the appropriateness and level of the enforcement action.

Thank you for your attention to this matter. Please refer to NPDES Permit Number **AR0000752** and AFIN **70-00040** in any written correspondence to ADEQ. Should you have any questions, feel free to call 501-682-0667 or e-mail carlsonm@adeq.state.ar.us.

Sincerely,

Michelle Bolenbaugh
