Sanitary Sewer Overflow (SSO) Corrective Action Plan (CAP)

Dear Mr. Jurgens,

The Department has received your Proposed Corrective Plan (CAP) dated June 11, 2015. Any change in the proposed schedule must be reported to ADEQ for approval and a final report shall be submitted to ADEQ upon completion of the CAP. At this time ADEQ has no further comment regarding the plan, if we determine that we need further information, we will contact you.

Failure to fully execute the CAP by December 31, 2015 may result in ADEQ pursuing formal enforcement action. Such action will include but may not be limited to the assessment of a voluntary civil penalty.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0664 or via e-mail at pemberton@adeq.state.ar.us.

Sincerely,

Layne Pemberton
