Mr. Breher,

- Submit revised PER and final funding amount to USDA January 15, 2021
- Submit final plan and detailed design to ADH February 15, 2021
- Advertise for bid for Construction March 30, 2021
- Start Construction April 30, 2021

Were you able to start construction April 30, 2021? If so, has the construction been completed? If not completed, how long do you anticipate the construction will be ongoing?

Please provide an update by September 8, 2021.

Thank you,
