RE: NPDES Permit No. AR0020036, AFIN 33-00026, Delinquent/Deficient Discharge Monitoring Reports

Dear Mayor Womack:

A review of the NPDES file for the City of Melbourne revealed that the following Discharge Monitoring Reports (DMRs) have been deemed deficient or have not been received by the Department:

- DMR End Date 05/31/10, Discharge 001A. The DMR did not include signature or date. The received copy has been included for your convenience.
- DMR End Date 04/30/11, Discharge 001A. (Not received)
- DMR End Date 07/31/11, Discharge 001A. (Not received)

Please submit the delinquent/deficient DMRs and any applicable non-compliance reports to the Department by December 12, 2011. The DMRs must include an original signature and date by the Principal Executive Officer or Authorized Agent. Photocopied signatures cannot be accepted.

Any violation of your NPDES Permit is subject to enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The regulations and your NPDES Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Should you have any questions concerning the above referenced compliance issues, please feel free to contact me at 501-682-0635, or you may e-mail me at anderson@adeq.state.ar.us.

Sincerely,

Alan Anderson
