Subject: Melbourne Meeting Request

Importance: High

Hello,

DEQ requests a Zoom call with the City of Melbourne (AR0020036, 5081-WR-1, AFIN 33-00026) to discuss issues of non-compliance regarding CAOs 22-038 and 22-043, and planned corrective actions. We would like the Mayor, wastewater operator, and engineer to be in attendance. DEQ will be sending a Failure to Comply letter to the facility in the next 1 – 2 weeks. Please continue working with your engineer to develop a revised CAP and milestone schedule.

Please review the following meeting times, and respond as soon as possible letting me know which option will work for you:

October 30th: 9am, 1pm
November 1st: 3pm
November 2nd: 9am, 2:30pm
November 6th: 9am
November 13th: 9am, 11am

Thank you for your attention in this matter,

KRISTEN GRAHAM
