Subject: Missing Progress Report

Importance: High

Good evening everyone,

You recently received an email regarding a progress report due on December 15, 2022. Per the requirements of CAO LIS 22-038, the City of Melbourne is to submit these reports quarterly to DEQ. After a review of the documents submitted by the City of Melbourne, it appears that the progress report that was due on September 15, 2022, was not submitted. If you have submitted this, please forward me a copy. However, our records indicate it has not been entered. We need to get that submitted in the system ASAP.

Please submit this missing report to DEQ no later than Monday, December 5, 2022.

If you have any questions or need additional info, please let me know.

Thanks,
