RE: NPDES Permit Number AR0020036, AFIN 33-00026
Missing or Deficient Discharge Monitoring Reports

Dear Mr. Dale:

The Department has conducted a file review of the above referenced permit and determined the Discharge Monitoring Report (DMR) for the January 2012 Monitoring Period, Discharge Numbers 001A is not on file. Additionally, Page 2 of the July 2011 DMR, Discharge Number 001A, which contains the Carbonaceous BOD parameters was not received by the Department. Submittal of these documents is required.

If you have already sent the DMRs in question, please re-send two copies of each so we may place them on file and correct our records. If you have not sent the DMRs in question, please do so immediately. Your response should reach the Department by **May 27, 2012**.

Thank you for your attention to this matter. Should you have any questions feel free to contact me at 501-682-0632 or e-mail to bolenbaugh@adeq.state.ar.us.

Sincerely,
