Re: NPDES Permit AR0020036, NetDMR Approval

Dear Coy Dale:

The signed subscriber agreement for Coy Dale of the City of Melbourne has been received and access as Signatory Authority in NetDMR has been approved by the Arkansas Department of Environmental Quality. In addition, your Discharge Monitoring Reports (DMRs) are ready for online submittal. Please log into NetDMR and verify that the permit limits are accurate and let us know if you find any discrepancies.

We appreciate your cooperation in using NetDMR for submitting your DMRs electronically. Please remember that you must change your NetDMR password every 90 days, and each new password must be different than your last 10 passwords by at least 3 characters. NetDMR will not remind you of when your password will expire. If you have any questions, please contact me at (501) 682-0644 or by email at charlie.skinner@adeq.state.ar.us.

Sincerely,

Charles R. Skinner
