The City just received a recommendation for funding from the WWAC application. Proposed sources of funding is USDA and ANRC. We are awaiting notification of offers from these agencies for funding so that we can proceed with the design submittals for the project. Once we receive the offers, we will be able to update the construction schedule.

If you have any additional questions or comments, please do not hesitate to contact us.

Mayor Halbrook,

Please provide an update detailing the status of any progress made on the Corrective Action Plan since your last update dated October 29, 2019. Your response should reach DEQ by **February 20, 2019**.

Thanks,
