Subject: NCR Needs Submittal, AR0020036

Good afternoon,

Upon review, NetDMR has flagged the DMR 001-A for 10/1/22-10/31/22 as being outside of the permit limit for fecal coliform. In events like these, an NCR must sent to us. Please send a copy of the NCR directly to me ASAP. You may find the form here: <https://www.adeg.state.ar.us/water/enforcement/pdfs/ncr-form.pdf>

Thank you,

KRISTEN GRAHAM
