Sanitary Sewer Overflow (SSO) Monthly Report

NPDES Permit No.: AR0020087

Monitoring Period (Month/Year): 4/1/2024

☒ No Sanitary Sewer Overflows This Monitoring Period

Summary Report Code Description

| Cause(s) of SSO     |                 | SSO Impact   | Action(s) Taken            | Ultimate Discharge Location     |
|---------------------|-----------------|--|----------------------------|---------------------------------|
| CO-Construction     | D-Debris        | NEAH - No Evidence of Adverse health/ Environmental Impact | MR-Machine Rodded          | CR-Creek/Stream/Rever (specify) |
| E-Equipment Failure | G-Grease        | OEHC - Observed or Evidence of Human Contact               | EC-Environmental Cleanup   | DI-Ditch                        |
| HC-Hydro Clean      | LF-Line Failure | EFK - Evidence of Fish Kill                                | HC-Hydro Cleaned           | DR-Drop Inlet                   |
| R-Rainfall          | RG-Roots/Grease | OEEI - Observed or Evidence of Environmental Impact        | HR-Hand Rodded             | GR-Ground Surface               |
| RO-Roots            | V-Vandalism     |  | EN-Referred to Engineering | PA-Paved Area                   |
|                     |                 |  | PN-Public Notice           | CB-Contained n Building         |

| Location | Manhole # | Start Date of SSO | End Date of SSO | Estimated Volume (in gallons) | Cause of SSO | Environmental Impact | Action (s) Taken to Address SSO | Discharge Location |
|----------|-----------|-------------------|-----------------|-------------------------------|--------------|----------------------|---------------------------------|--------------------|
|          |           |                   |                 |                               |              |                      |                                 |                    |
|          |           |                   |                 |                               |              |                      |                                 |                    |
|          |           |                   |                 |                               |              |                      |                                 |                    |
|          |           |                   |                 |                               |              |                      |                                 |                    |
|          |           |                   |                 |                               |              |                      |                                 |                    |
|          |           |                   |                 |                               |              |                      |                                 |                    |
|          |           |                   |                 |                               |              |                      |                                 |                    |
|          |           |                   |                 |                               |              |                      |                                 |                    |
|          |           |                   |                 |                               |              |                      |                                 |                    |
