Mayor Bryant,
We are one week out from the deadline for this report.

09/10/2018 – Submit progress report detailing actions taken under the SSES and SSO Plan, and follow-up reports are due every six months thereafter, until compliance is achieved.

Please have it submitted as soon as possible. Failure to do so is covered in the CAO:

"Failure to meet any requirement or deadline of this Order constitutes a violation of said Order. If Respondent should fail to meet any such requirements or deadlines, the Respondent consents and agrees to pay on demand to ADEQ stipulated penalties according to the following schedule:

- a. First day through fourteenth day: \$100.00 per day
- b. Fifteenth day through the thirtieth day: \$500.00 per day
- c. Each day beyond the thirtieth day: \$1000.00 per day

These stipulated penalties for delay in performance shall be in addition to any other remedies or sanctions which may be available to ADEQ by reason of failure by Respondent to comply with the requirements of this Order."
