RE: NPDES Permit Number AR0020087, AFIN 62-00070  
Discharge Monitoring Report (DMR) Submittals

Dear Mayor Bryant:

On February 5, 2016, the Department received the completed DMR for the period ending August 31, 2015. Your cooperation in the matter is appreciated.

This letter is a reminder that all Discharge Monitoring Reports (DMRs) and associated parameters required by your permit are required to be completed and either postmarked or electronically submitted to the Department by the 25<sup>th</sup> of the month following the end of the monitoring period. **Failure to do so is a violation of the conditions of your permit (as referenced in Part III Section C.5).**

Please note, any future late DMR or parameter submittals may result in a proposed enforcement action that will include, but not be limited to, the assessment of a civil penalty.

Included in this letter is information about NetDMR, EPA's electronic DMR submittal system. Please be advised that submittal of DMRs using NetDMR will be required of all permittees by the end of the year. If you have any questions regarding NetDMR, please feel free to contact Tommi West, Water Enforcement, 501-682-0667.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0664 or via e-mail at [pemberton@adeq.state.ar.us](mailto:pemberton@adeq.state.ar.us).

Sincerely,

Layne Pemberton
