summary:

Called Mr. Jeffus PE with RJNgroup 972-437-4300 about status of Forrest City CAP. He indicated that he had been in regular contact with Calvin Murdock of Forrest City concerning the SS issues. Mr. Jeffus indicated that RJJgroup has not been hired by the city but has provided consultation to the facility. He stated that Mr. Murdock wants to rehabilitate the system but has been habbled by the lack of trained staff. However, has been working diligently to hire and maintain compitent staff. He also indicated that Mr. Murckdock has plans for purchasing equipment and vehicles in order to rehabilitate the SS system. I emailed and called Mr. Murdock on 06/14/16 & emailed him again on 06/23/16 for a CAP status report.. No information has been received by the Department.
