Dear Ms. Porter;

This is in reference to the letter dated September 28, 2015 Corrective Action Plan. This is our progress report due November 5, 2015. As of this date the Notice to Proceed has been issued to TECO, INC. and per the Engineer it is in the submittal and review process.

The Sanitary Sewer Overflows we are still work on the rehab of all manholes in the collection system. There are about 618 total manholes and 508 have been repaired with 106 being done this year and about 110 left to complete as weather and manpower will permit. We will also continue address customer's service lines. Our gold is to get everything back into compliance as soon as possible.
