Dear Mr. Thatcher,

The Department has received the Discharge Monitoring Report for the monitoring period of April 2012. Upon review, I noticed that you failed to report Nitrogen, nitrate total MO AVG. Submittal of a corrected copy of this form will be required.

Please submit the corrected DMR clearly marked as "Corrected Copy", with the changes highlighted. Submit two legible copies of the corrected DMR with an original signature and date by the Cognizant Official on at least one copy. These corrected copies should be received by the Department no later than **January 25, 2013**.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0636 or e-mail to copenhaver@adeq.state.ar.us.

Sincerely,

Lindsay Copenhaver
