Park Lift Station started Overflowing 12:30 Am on Jan 25th 2023. Sent you an email yesterday explaining power issues with the winter storm. I also called it in. Stop Time was 8:00 PM. We did get generator's installed at both locations temporarily. Gallon's 30,000 in to stream next to Park Lift Station. Clean up Pick up large debri and use a fire truck wash down.

Riggs Ville Started Overflowing at the same time 12:30 Am Sent you an email yesterday explaining power issues with the winter storm. I also called it in. Stop Time was 8:30 PM. Gallon's 12,000 in to stream next to Riggs Ville. Clean up Pick up large debri and raked area up using a fire truck wash down.

If i forgot something please notify me thank you. Kisten Graham
