RE: NPDES Permit Number: AR0020117, AFIN: 69-00011  
Corrective Action Plan Response

Ms. Taylor;

This is our quarterly progress report for September 15, 2018 per the letter dated on July 19, 2017. We are now in the process of upgrading our old 6" force main from Lift Station # 1 on Park and Webb. We have installed about 1980 feet of 8" new force main line to date. We also had about 20 feet of sewer line in the area of Cynthia Street that had to be replaced this was on August 15, 2018. The issue at the Stone County Jail is being addressed with the new expansion that will be added engineers are working on that now. The City Council has hired CWB Engineers to work on the CAO for AR0020117 NPDES Permit. We are still working on reducing our I&I problem and addressing customer's service lines.

If you have any questions, please give us a call.

Sincerely,

Roger Gardner, Mayor City of Mountain View
