Subject: Mountain View WWTP CAO Quarterly Update

Danielle,

Please accept this email as the quarterly progress report for the Mountain View WWTP CAO LIS 18-091-001.

The final plans and specifications for the improvements project have been completed.

The documents were submitted to the ADH on May 17, 2021. An approval letter was received on June 2, 2021 and is attached for your records.

The Construction/Modification Permit application for the WWTP Improvements was submitted to ADEQ on May 17, 2021. Questions from ADEQ regarding the project were received and responded to on May 28, 2021.

The project awaits a construction permit. Once a draft permit is received we will proceed to advertise and bid the project. Barring any unforeseen delays in receiving the construction permit, the project is on track to comply with the final compliance date of December 31, 2023, established in the amended CAO (LIS 18-091-001).

Should you have any questions or need additional information please contact me at the email address or phone number below.

Sincerely,

C. Kyle Breckenridge, P.E., BCEE

RE: WWTF Improvements
Mountain View, Stone County, Arkansas
ADH Project # **115364**

Dear Mr. Breckenridge:

The Plans and Specifications for the above referenced project dated May 2021 and received by this office electronically on May 17, 2021, as revised by your submittal received May 28, 2021, have been reviewed and are hereby approved with the following conditions:

1. The Engineering Section relied upon the statements and representations made in the engineer's report, plans and specifications. In case any statement or representation in the aforementioned documents is found to be incorrect, this Approval may be revoked.
2. There shall be no deviation from the plans and specifications unless revised plans and specifications have been first submitted for review and written consent given.
3. The review and approval of the plans and specifications were for functional and sanitary features and in no way constitute an analysis of the structural design nor does it cover any building plumbing.
4. If construction on this project is not started within one year of the date affixed hereto, this Letter of Approval is void.
5. Construction inspection for this project shall be the responsibility of CWB ENGINEERS, INC.

One set of the Plans and Specifications is being retained electronically for our files. When submitting correspondence for this project, be sure and reference our ADH project number **115364**.

Sincerely:

Lance Jones, P.E.
Chief Engineer
Engineering Section
