**RE: NPDES Permit No: AR0020303; AR0020320; and AR0038288
Closure of Consent Administrative Order LIS 10-218**

Dear Mr. Wilkins:

In reviewing the files for the above referenced Consent Administrative Order (CAO) LIS 10-218, the Department has determined that the requirements have been met. Therefore, CAO LIS 10-218 was closed as of the date of this letter.

The Respondent shall maintain the corrective actions taken to comply with the requirements of the CAO. Closure of this Order by the Department does not preclude any future enforcement action deemed necessary. If future violations occur that require enforcement action, the Department will consider this Order as required by Arkansas Pollution Control and Ecology Commission Regulation No. 7, Civil Penalties. This regulation requires the Department to consider the history of your facility and how expeditiously violations were addressed in determining any civil penalty that may be necessary for any future violations.

Should you have any questions about this matter, please contact Bailey Taylor at 501-682-0639 or bailey.taylor@adeq.state.ar.us.

Sincerely,
