Subject: Delinquent Progress Report

Mr. Lawrence,

I apologize for dropping the ball on the milestone progress report that was due end of December 2018. Currently myself and our consultant engineers at Olsson are working to compile the information into a report to be submitted as soon as possible. Again, I apologize and will be in touch soon with the completed milestone progress report. If you have any questions please feel free to email or call.

Sincerely,

Damon Johnson, P.E.

RE: NPDES Permit Number AR0020702, AFIN 32-00044
Milestone Completion Progress Report Overdue

Dear Mayor Elumbaugh,

The progress report required by consent administrative order 08-083, amendment 08-083-001, and amendment 08-083-002 has not been received by the ADEQ. The order requires a progress report be submitted detailing the work completed by the scheduled completion date of each milestone. Please submit the progress report.

Failure to submit the required report is a violation of the Consent Administrative Order, the Permit, and state regulations. Any violation is subject to further enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The order, regulations, and Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Your attention to this matter is most appreciated. Should you have questions or desire assistance please contact me directly.

Sincerely,
