Re: City of Flippin, AR
AR 0021717, AFIN 45-00021
Corrective Action Plan (Final)

Date: December 6, 2017

This memo serves as the request on behalf of the City of Flippin to close the corrective action plan. The City has maintain compliance since April 2017 with the permit parameters associated with the plant. All the original actions submitted to ADEQ for the CAP have been either completed or have ongoing operations in place for the long term needs. These long term needs include improvements at the plant and within the collection system. As this time, the City has begun the funding source allocation for the improvements. In addition, the SSO's mentioned in the ADEQ correspondence dated November 29, 2017 will be address in the long term improvements.

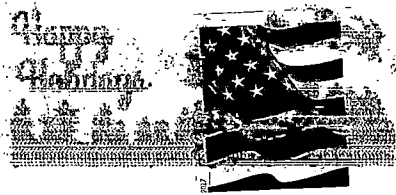

If you need additional information, please call 501-504-2455.
