Re: City of Flippin NPDES Permit #AR0021717

Dear Mr. Pemberton,

I would like to ask for an extension for the City of Flippin on responding on their Compliance Action Plan which has been prepared by an Engineer, however we had some deadlines that were put in there we know are not feasible or pertinent to our ammonia issues we are trying to straighten out before submitting. I feel we should be able to get this matter done quickly and if we could receive an extension till April 7<sup>th</sup>, 2017 that would be time for us to make the corrections to the plan.

This matter is a priority to our City and we appreciate your consideration in the extension so we may have this plan correct on the first submittal.

Sincerely,

  
Mayor Jerald Marberry  
City of Flippin
