|                               |                           |                           |                                 |                      |

**We feel this problem was due to:**

The amount of flow coming into the plant.

**We plan on correcting the problem in this manner:**

Reducing inflow/infiltration.

**Time estimated that it will take to correct problem:**

Spring 2023

**Sincerely,**

JL Wagoner
