Progress Report for City of De Queen Copper Limit

Dear Gavin:

In response to your email regarding the City of De Queen copper compliance levels, we are currently working with our Engineers and Chemical reps on a plan to get us into compliance by 2023 so that we will meet standards and be in compliance.

If you need further information please feel free to contact me at my email cyoung@cityofdequeen.com.

Respectfully,

A handwritten signature in blue ink, appearing to read "Clint Young", is written over a light blue horizontal line.

Clint Young
Waste Water Superintendent
