Subject: Corrections needed on DMRs

Larry:

The 05/31/12 001A and 07/31/12 001A DMRs for Nashville are both missing **Flow- Daily Maximum**. I will need these DMRs corrected in order to keep Nashville off of the Non-Compliance list. I need these pretty quick so you can make the corrections, scan into a PDF, and e-mail to me, or you could fax them to 501-682-0880. I will need them by COB Tuesday 12/04/12.
