Good morning,

Thanks for sending those to me. Will you please provide photos of the following at your earliest convenience, so we can submit those along with your written response?

- Photo(s) of EQ basin demonstrating an adequate amount of free board is present in the pond
- Photo(s) of Pond 2 demonstrating it is clear of sludge
- Photos of Tolland & Hospital Lift Stations demonstrating that the grease/solids noted at the time of the inspection have been cleaned & maintained

In combination with your written responses, we will then have enough info to consider your response complete and I'll be able to submit it so it no longer shows as overdue.

Thank you for your cooperation.

Mr. Dunaway,

I am having trouble locating any documents relating to the inspection response. Can you send me a copy of what you sent in, or provide me with the name of who you sent it to?

Thanks, and have a good weekend.
