**RE: NPDES Permit Number AR0021776, AFIN 31-00036
Consent Administrative Order LIS No. 15-006
Supplemental Environmental Project (SEP)**

Dear Mayor Jones:

On February 19, 2015, the City of Nashville submitted a SEP proposal for contributing \$875.00 to Howard County to be used towards the removal of asbestos and lead paint in the County Hospital. The SEP proposal was presented as a cash contribution for an environmental project to be used toward partial payment of a penalty in CAO LIS 15-006.

ADEQ approves the SEP for the City of Nashville to contribute \$875.00 to Howard County for removal of asbestos and lead paint from the County Hospital. Within thirty (30) calendar days of the date of this letter, the City of Nashville shall provide ADEQ with a copy of the check presented to Howard County and a letter from Howard County confirming that SEP funds have been used for asbestos and lead abatement. The remaining balance of the voluntary civil penalty, Two Thousand Six Hundred Twenty Five Dollars (\$2,625.00) must be paid to the Department no later than March 24, 2015.

Failure to comply with the terms of the SEP is a violation of CAO LIS 15-006 and may result in further enforcement action.

If you have any questions regarding this matter, please contact Gina Porter at 501-682-0636 or e-mail at porterg@adeq.state.ar.us.
