Re: DMR for June**

Dear Mr. Anderson:

Enclosed is our DMR for the month of June. Results have indicated that we have no violations for the month of June. Last month I sent you a letter which said those results were for June. That is incorrect and it should have been for May. Do you need a corrected letter?

If you have any further questions or concerns, please call me at 870-845-4015.

Sincerely,

**Larry Dunaway
Public Works Director**
