**Re: Permit AR0021776, AFIN 31-00036
DMR Report for March, 2013**

Dear Mr. Anderson:

Find enclosed you will find a copy of the DMR for March. We have violated the ammonia results in all three categories. As addressed before, this problem will be resolved with our new construction of our new 7 Million Dollar Waste Treatment Plant beginning this year. Our ammonia results are now on the decline from previous months.

If you have any questions please call me as soon as possible.

Sincerely,

**Larry Duhaway
Public Works Director**

**cc: Greg Strawn, Water/Wastewater Superintendent
DMR for the month of March.**
