RE: NPDES Permit Number AR0021792, AFIN 08-00034
City of Berryville Wastewater Treatment Facility

Dear Mr. Murray,

A review of the NPDES file for the City of Bearden Wastewater Treatment Facility for the period of January 1st, 2012 through August 31st, 2012 reveals the following compliance issues:

The facility has reported **4** violations of Part I, Section A. of NPDES Permit No. AR0021792. A detailed list of the violations has been included with this letter. ADEQ recommends that you consult with an engineer for the purpose of developing a strategy to eliminate these effluent violations.

Any violation of your NPDES Permit is subject to enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The regulations and your NPDES Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Should you have any questions concerning the above referenced compliance issues, please feel free to contact me at 501-682-0631, or you may e-mail me at johnsonm@adeq.state.ar.us.

Sincerely,

Miles Johnson
