RE: Adams Field Water Reclamation Facility  
NPDES Permit No. AR0021806, AFIN: 60-00409  
Notification of First Use of PAA

Dear Mr. Healey,

In accordance with Part II, Section 12 of our NPDES Permit, please allow this letter to serve as the "Notification of First Use of Peracetic Acid (PAA)". Following all required guidelines and conditions, PAA was administered for supplemental disinfection for the first time on January 6, 2020.

Should you have any questions concerning this notification, I may be reached by phone at (501) 688-1429 or by email at [walter.collins@lrwra.com](mailto:walter.collins@lrwra.com)

Sincerely,  
LITTLE ROCK WATER RECLAMATION AUTHORITY

Walter B. Collins, P.E.  
Director of Operations and Facilities
