Subject: Upcoming Report Reminder

Good afternoon,

I just wanted to reach out with a friendly reminder that the Adams Field Water Reclamation Facility (AR0021806) has an annual CSMP report due by February 28, 2023. This report should include current efforts to reduce I&I and is a part of your compliance schedule for CAO 06-037-001. You may send the report directly to me, or send by mail to:

Office of Water Quality
5301 Northshore Dr.
North Little Rock, 72118

Thank you,

KRISTEN GRAHAM
