Subject: Change of Signatory Form - Monticello East & West Plants

Good morning,

Per our phone conversation, I am providing the needed Change of Signatory Authorization form that is required to update the old Mayor to the new. This will need to be submitted for both the Monticello East [AR0021831, 22-00379] and West [AR0021822, 22-00037] Plants.

Find both the digital submission form and downloadable mail-in form at the following link:

<https://eportal.adeg.state.ar.us/app/#/formversion/3f71b18d-1f34-48aa-80d7-8a7110a638b6>. If you choose to download the copy, you may return it directly to me at this email, or through mail to the following address:

- Office of Water Quality, Division of Environmental Quality, 5301 Northshore Drive, North Little Rock 72118.

If you have further questions, contact myself or our Permits Branch (501-682-0656).

Thank you for your assistance,

KRISTEN GRAHAM
