**RE: CAO CLOSURE LETTER
City of Monticello-East Plant
NPDES Permit Number: AR0021831, AFIN: 22-00379
Closure of Consent Administrative Order LIS 18-066 and Amended Consent
Administrative Orders LIS 18-066-001 and 18-066-002**

Dear Mayor Akers:

In reviewing the files for the above-referenced Consent Administrative Order (CAO) LIS 18-066 and Amended CAOs LIS 18-066-001 and 18-066-002, the Division has determined that the requirements have been met. Therefore, CAO LIS 18-066 and Amended CAOs LIS 18-066-001 and 18-066-002 were closed as of the date of this letter.

The Respondent shall maintain the corrective actions taken to comply with the requirements of the CAO. Closure of this CAO by the Division does not preclude any future enforcement action deemed necessary. If future violations occur that require enforcement action, the Division will consider this CAO as required by Arkansas Pollution Control and Ecology Commission Rule 7, Civil Penalties. This Rule requires the Division to consider the history of your facility and how expeditiously violations were addressed in determining any civil penalty that may be necessary for any future violations.

Should you have any questions about this matter, please contact Kristen Graham, Enforcement Analyst at 501-682-0758 or Kristen.Graham@adeq.state.ar.us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Alan J. York'.
