3-25-19	Discharge No Flow		78.1	78

We feel this problem was due to:

No flow in creek

We plan on correcting the problem in this manner:

We are purchasing land to expand our sewer lagoons and we are exploring options for an alternate discharge location. We purchased a smoke machine to identify problem areas so we can address those, we are also locating our manholes so we can address issues they have.

Time estimated that it will take to correct problem:

Several years. I just took office in January and am learning

Sincerely,
