RE: Inadequate CAP submissions		
EA: Bailey Taylor	Permittee: Mayor David Anderson	PHONE:
DISCUSSION: I informed Mayor Anderson of the civil penalty clause in CAO LIS 16-063 and 16-064 that would require the City of Monticello to pay \$11,687.00 immediately because they have yet to submit an adequate CAP as required by the CAO. The Mayor said he would contact the engineer to submit an adequate CAP.
