Subject: City of Monticello--additional training for continuing education

I wanted to let you know that Dennis Benson with Arkansas Rural Water was at the City Friday. He helped us to set up spreadsheets to check for errors on the DMR's. He discussed how to look for problems with reporting such as sanitary overflow. Dennis talked about licenses. He also viewed the sewer lagoons and Mr. Hammock with the City gave him a full tour. We discussed the high fecal count and other issues we have been having.

I believe his assistance was helpful and we will implement his suggestions immediately.

Thank you,

Andrea Jo Chambers
