**RE: Permit Number AR0021865, AFIN 08-00036  
Closure of Consent Administrative Order (CAO) LIS 07-100**

Dear Mayor Berry:

In reviewing the files for the above referenced CAO LIS 07-100, the Department has determined that the requirements of CAO LIS 07-100 have been met; therefore, CAO LIS 07-100 was closed on May 7, 2015.

The Respondent shall maintain the corrective actions taken to comply with the requirements of CAO LIS 07-100. Closure of this Order by the Department does not preclude any future enforcement action deemed necessary. If future violations occur that require enforcement action, the Department will consider this Order as required by Arkansas Pollution Control and Ecology Commission Regulation No. 7, Civil Penalties. This regulation requires the Department to consider the history of your facility and how expeditiously violations were addressed in determining any civil penalty that may be necessary for any future violations.

Should you have any questions about this matter, please contact Layne Pemberton, at 501-682-0664, or by e-mail at the following email address [pemberton@adeq.state.ar.us](mailto:pemberton@adeq.state.ar.us).
