Proposed Corrective Action Plan (CAP)

Dear Mayor Berry:

The Department has received your Proposed Corrective Plan (CAP) for addressing effluent violations and SSOs. Your CAP states that SSOs will be eliminated by March 2018, due to the extended schedule for eliminating SSOs ADEQ may draft an order. Effluent violations must be brought into compliance by December 31, 2015. At this time, ADEQ has no further comment regarding the plan, if it is determined that further information is required the Department will contact you.

Failure to fully execute the CAP, as approved, may result in ADEQ pursuing formal enforcement action. Such action will include but may not be limited to the assessment of a voluntary civil penalty.

Thank you for your attention to this matter. Should you have any questions, feel free to call 501-682-0664 or e-mail [pemberton@adeq.state.ar.us](mailto:pemberton@adeq.state.ar.us).

Sincerely,

Layne Pemberton
