NPDES Permit AR0021865, Missing Discharge Monitoring Reports

Dear Mr. Allen:

We have reviewed the referenced file and have determined that we do not have the following Discharge Monitoring Reports (DMRs):

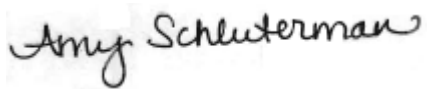

Monitoring Period	Discharge Number	Parameter missing
April 30, 2010	001B	All
January 31, 2011	001A	All

It should be noted that failure to submit reports as required by your permit is a serious violation and subjects you to penalties under Part II, Section A of your permit. If you have already sent the DMRs in question, please re-send a copy with an **original signature and date** so we may place it on file and correct our records.

Please respond by **September 2, 2011**. Please refer to NPDES Permit AR0021865 in any correspondence to the Department.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0633 or you may e-mail me at schluterman@adeq.state.ar.us.

Sincerely,

Amy Schluterman
