Closure of Consent Administrative Order LIS 18-010**

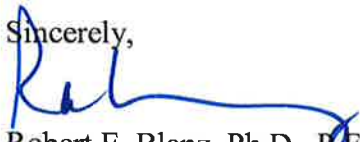

Dear Mr. Marotti:

In reviewing the files for the above referenced Consent Administrative Order (CAO) LIS 18-010, DEQ has determined that the requirements have been met. Therefore, CAO LIS 18-010 is closed as of January 23, 2020.

The Respondent shall maintain the corrective actions taken to comply with the requirements of the CAO. Closure of this Order by DEQ does not preclude any future enforcement action deemed necessary. If future violations occur that require enforcement action, DEQ will consider this Order as required by Arkansas Pollution Control and Ecology Commission Regulation No. 7, Civil Penalties. This regulation requires DEQ to consider the history of your facility and how expeditiously violations were addressed in determining any civil penalty that may be necessary for any future violations.

Should you have any questions about this matter, please contact Danielle Harbin, Enforcement Analyst at 501-682-0056 or Danielle.harbin@adeq.state.ar.us.

Sincerely,

Robert E. Blanz, Ph.D., P.E.
Associate Director, Office of Water Quality
