Corrective Action Plan Response

Dear Mr. Pedersen,

The Department received and reviewed the Corrective Action Plan (CAP), dated April 19, 2018 for the above referenced facility. The response was deemed adequate with the following comment:

- Please submit the WWTF Recommended Hydraulic Improvement Report by November 30, 2018.
- Please submit semi-annual reports detailing the progress West Memphis Utilities has made in rehabilitation and repair of its collection system and WWTF. The first semi-annual report will be due by May 31, 2019.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0056 or you may e-mail me at david.miller@adeq.state.ar.us.

Sincerely,

A handwritten signature in blue ink that reads "Dave Miller".
