RE: NPDES Permit Number AR0022187, AFIN 36-00038,
Deficient Discharge Monitoring Report

Dear Mr. Rainey:

The Discharge Monitoring Report (DMR) submitted for the **02/28/2011** Monitoring Period, Discharge Number **(002-A)** has been received by the Department. Upon review, I noticed that you marked "No Discharge" on the report even though the report indicates a flow was measured. Unfortunately, we cannot accept this contradiction. Submittal of a corrected copy of this form will be required.

Please submit the corrected DMR, clearly marked as "Corrected Copy", with the changes highlighted. Submit two legible copies of the corrected DMR with an **original signature and date** by the Cognizant Official and at least one copy. These corrected copies should be received by the Department **no later than March 25, 2011**.

Thank you for your attention to this matter. Please refer to NPDES Permit Number AR0022187 and AFIN 36-00038 in any written correspondence to this Department. If you have any questions, call 501-682-0631 or e-mail meints@adeq.state.ar.us.

Sincerely,
