RE: Permit # AR0022187

To Whom It May Concern:

I certify under penalty of the law that Class B pathogen requirements and vector attraction reduction requirements, management practices, site restrictions, requirements to obtain information in all parts and sections of 503, have been met. This determination has been made under my direction and supervision in accordance with the system design to insure that qualified personnel properly gather and evaluate the information used to determine that the requirements have been met. I am aware that there are significant penalties for false certification, including the possibility of fines and imprisonment.

Sincerely,

Gregg Rainey
Wastewater Superintendent
