Location Information
Provide address and manhole number if numbered. Include where the overflow went into a yard, ditch, stream, storm sewer, building, or other. Be specific as possible.
Overflow occurred at 1510 N Walton Blvd at manhole 319-3509. The discharge location was in a grassy area on the east side of property, eventually running west through the parking lot to a drainage area. Sewer team cleared the blockage caused by roots, grease, and rags. Washed down the grassy area and parking lot. Sucked all of the sewer matter with the Vac-Truck. Televising today to see if there is a need for further action.
